City Council Meeting
3/1/2012 7:00:00 PM
February 16, 2012

SubCategory:	Council Meeting Minutes
Department Name:	Clerk
Department Summary Recommendation:	Attached are the minutes for your review and approval.
City Manager's Remarks:	Minutes from the February 16th City Council Meeting have been compiled and reviewed by City staff and are now recommended for your approval.
Financial/Budget Certification:	
Legal:	
Associated Information:	

City Council Meeting
10 N. Public Square
February 16, 2012
6:00 P.M. – Work Session 7:00 P.M.

I. Opening Meeting

Invocation by Council Member Tonsmeire

Pledge of Allegiance led by Council Member Hodge

The City Council met in Regular Session with Matt Santini, Mayor presiding and the following present: Kari Hodge, Council Member Ward One; Jayce Stepp, Council Member Ward Two; Louis Tonsmeire, Sr., Council Member Ward Three; Lindsey McDaniel Council Member Ward Four; Dianne Tate, Council Member Ward Five; Lori Pruitt, Council Member Ward Six; Sam Grove, City Manager; Connie Keeling, City Clerk and Keith Lovell, Assistant City Attorney. David Archer, City Attorney was absent.

II. Regular Agenda

A. Council Meeting Minutes

1. February 2, 2012

A motion to approve the February 2, 012 City Council Minutes as presented was made by Council Member Tate and seconded by Council Member McDaniel. Motion carried unanimously. Vote 6-0

B. First Reading of Ordinances

1. Amendment to Utilities Ordinance Regarding Electric Rates

David Myers, Electric Superintendent stated that these are the same rates that were presented to council on December 8, 2011 with no additional transfers to the general fund. Mr. Myers stated that wholesale cost increases continue as a result of environmental costs at our coal plants, nuclear fuel increases, and reduced off system sales requiring an adjustment of retail rates. In late 2011 a Cost of Service study was performed to reapportion these costs. The study was performed by an independent outside firm using methodology consistent with electric municipalities across the State of Georgia and no increases for the city are included in the proposed rates. Mr. Myers stated that the rate changes are as follows and if approved will go into effect with the billing for March consumption. Mr. Myers recommended approval to recover the increase in wholesale energy.

Residential	+0.42%	Medium Power	-4.97%
Small General Service	+1.91%	Large Power	+1.77%
Small Power	-4.70%	Extra Large Power	-0.76%

Economic Development	-1.99%	City Government	-1.97%
Street Lights	+19.50%		

Mayor Santini opened the floor for a public hearing. Those coming forward to speak against the rate increase were John Whittenburg, Charles Chatman, Jeff Pollock, Clay Jones, Steve Castracane, and Craig Clark. With no further comments Mayor Santini closed the public hearing.

NO ACTION REQUIRED

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the **CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 23. CITY GOVERNMENT SERVICE; TARIFF CG-2, Section 24-366** is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

DIVISION 23. CITY GOVERNMENT SERVICE; TARIFF CG-3

Section 24-366. Generally.

- (a) EFFECTIVE DATE:** Bills rendered on or after March 19, 2012.
- (b) AVAILABILITY:** Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.
- (c) APPLICABILITY:** Applicable to all facilities owned, leased by, or operated by the City of Cartersville for the provision of municipal services including, but not limited to, schools, utilities, fire and police protection, solid waste disposal, and general office functions.
- (d) TYPE OF SERVICE:** Single or three-phase, sixty (60) hertz, at a standard voltage.
- (e) MONTHLY RATE:**
 - Administrative Charge** \$15.00
 - Distribution Energy Charge** 0.5¢ per kWh
 - Transmission Charge** 0.7¢ per kWh

Generation Charge 8.8¢ per kWh

(f) **POWER COST ADJUSTMENTS:** The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

(g) **RIDERS:** The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

BE IT AND IT IS HEREBY ORDAINED.

First Reading this the 16th day of February 2012.

ADOPTED this the 1st day of March 2012. Second Reading.

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 11. CITY GOVERNMENT LIGHTING SERVICE; TARIFF CGL-4, Section 24-306 is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

DIVISION 11. CITY GOVERNMENT LIGHTING SERVICE; TARIFF CGL-5

Section 24-306. Generally.

- (a) **EFFECTIVE DATE:** Bills rendered on or after March 19, 2012.
- (b) **AVAILABILITY:** Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.
- (c) **APPLICABILITY:** Applicable only to outdoor lighting by ballast-operated vapor lamp fixtures with high pressure sodium (HPS), metal halide (MH), or mercury vapor (MV) lamps, and poles conforming to CES specifications. Service will be rendered only at locations that, in the sole opinion of CES, are readily accessible for maintenance. This tariff is applicable only to public street lighting and traffic signals.
- (d) **MONTHLY RATES:**

(1) HIGH PRESSURE SODIUM

<u>Size</u>	<u>Type</u>	<u>Rate</u>
100W	Open Bottom	\$9.00
100W	Cobrahead	\$9.00
150W	Cobrahead	\$11.00
150W	Post Top	\$11.00
250W	Cobrahead	\$13.50
250W	Directional Flood	\$15.50
250W	Parking Lot	\$17.50
400W	Cobrahead	\$17.00
400W	Directional Flood	\$19.00
400W	Parking Lot	\$21.00
1000W	Directional Flood	\$27.00
1000W	Parking Lot	\$27.00

(2) MERCURY VAPOR*

<u>Size</u>	<u>Type</u>	<u>Rate</u>
175W	Open Bottom	\$9.50
175W	Cobrahead	\$10.00
400W	Cobrahead	\$16.00

*These rates are for existing mercury vapor lights only. No new mercury vapor lights will be installed.

(3) METAL HALIDE**

<u>Size</u>	<u>Type</u>	<u>Rate</u>
250W	Directional Flood	\$25.00
250W	Parking Lot	\$25.00
400W	Directional Flood	\$30.00
400W	Parking Lot	\$30.00
1000W	Directional Flood	\$37.00
1000W	Parking Lot	\$37.00
1500W	Sports Lighting	\$43.00
**Not approved for roadway use.		

(4) POLES

<u>Size</u>	<u>Type</u>	<u>Rate</u>
14'	Acorn Decorative	\$2.00
20'	Acorn Decorative	\$2.00
20'	Salem Aluminum	\$1.50
30'	Wood	\$1.50
35'	Wood	\$2.00
40'	Wood	\$2.50
30'	Shoebox Decorative	\$1.50
35'	Shoebox Decorative	\$2.00
40'	Shoebox Decorative	\$2.50
40'	Cobrahead Decorative	\$2.50

(5) TRAFFIC SIGNALS

	<u>Traffic Signal</u>	<u>Traffic Flasher</u>	<u>School Flasher</u>
Basic Service Charge per Head (CES provides relamping)	\$1.75	\$2.75	\$4.75
Basic Service Charge per Head (Customer provides relamping)	\$1.00	\$1.75	\$2.50

(e) **POLE INSTALLATION CHARGE:** A non-refundable contribution to construction will be required of developers/subdividers for CES to set a pole or poles in providing city street lighting.

<u>Size</u>	<u>Type</u>	<u>Rate</u>
14'	Acorn Decorative	\$1400.00
20'	Acorn Decorative	\$1400.00
20'	Salem Aluminum	\$400.00

30'	 Wood	\$300.00
35'	 Wood	\$300.00
40'	 Wood	\$300.00
30'	 Shoebox Decorative	\$600.00
35'	 Shoebox Decorative	\$750.00
40'	 Shoebox Decorative	\$900.00
40'	 Cobrahead Decorative	\$1000.00

(f) **TERM OF CONTRACT:** The term is a minimum of five (5) years.

(g) **POWER COST ADJUSTMENTS:** This tariff is not subject to the Power Cost Adjustment Rider.

(h) **RIDERS:** The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the **CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 26. LARGE POWER SERVICE; TARIFF LP-3**, Section 24-381 is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

DIVISION 26. LARGE POWER SERVICE; TARIFF LP-4

Section 24-381. Generally.

- (a) EFFECTIVE DATE:** Bills rendered on or after March 19, 2012.
- (b) AVAILABILITY:** Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.
- (c) APPLICABILITY:** Applicable to all commercial or industrial electric service which is delivered or compensated to one standard voltage and where the following criteria are met:
 - 1) Billing demand for the current month and the preceding 11 months must be greater than or equal to 1,000 kW and less than 3,500 kW as defined in the Billing Demand section of this tariff.**
 - 2) In the event that Billing Demand becomes permanently less than 1,000 kW, the customer may switch to the appropriate tariff following 12 months of service on this tariff.**
- (d) TYPE OF SERVICE:** Three-phase, sixty (60) hertz, at a standard voltage.
- (e) MONTHLY RATE:**

Administrative Charge \$150.00
Distribution Demand Charge \$1.10 per kW of Billing Demand
Transmission Charge \$2.15 per kW of Billing Demand

Generation Charge:

**Consumption (kWh) not greater than 200 hours
times the billing demand:**

First 200,000 kWh 10.0¢ per kWh
Over 200,000 kWh..... 9.4¢ per kWh

**Consumption (kWh) in excess of 200 hours and
not greater than 400 hours times the billing demand:**

All kWh 4.6¢ per kWh

**Consumption (kWh) in excess of 400 hours and
not greater than 600 hours times the billing demand:**

All kWh 4.2¢ per kWh

**All consumption (kWh) in excess of 600 hours
times the billing demand:**

All kWh 4.0¢ per kWh

(f) MINIMUM MONTHLY BILL: Administrative Charge, plus \$8.00 per kW of Billing Demand, plus Reactive Demand Charges, plus Power Cost Adjustment as applied to the current month metered energy in kWh, plus charges in any applicable rider.

(g) POWER COST ADJUSTMENTS: The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

(h) RIDERS: The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

(i) BILLING DEMAND: The maximum billing demand shall be based on the highest thirty-minute kW measurement during the current month and the preceding eleven (11) months.

For the consumption months of June through September, the Billing Demand shall be the greater of:

- 1) The current actual demand; or**
- 2) Ninety-Five percent (95%) of the highest actual demand occurring in any previous applicable summer month (June through September); or**
- 3) Sixty percent (60%) of the highest actual demand occurring in any previous applicable winter month (October through May).**

For the consumption months of October through May, the Billing Demand shall be the greater of:

- 1) Ninety-Five percent (95%) of the highest summer month (June through September); or**
- 2) Sixty percent (60%) of the highest winter month (October through May), including the current month.**

However, in no case shall the Billing Demand be less than the greater of:

- 1) The Contract Minimum Demand; or**
- 2) Fifty-percent (50%) of the contract capacity; or**
- 3) 950 kW (95% of 1,000 kW).**

(j) REACTIVE DEMAND: Where there is an indication of a power factor of less than 95% lagging, CES may at its' option install metering equipment to measure Reactive

Demand. The Reactive Demand is the highest 30-minute kVAR measured during the month. The Excess Reactive Demand is the kVAR which is in excess of one-third of the measured actual kW in the current month. CES will bill Excess Reactive Demand at the rate of \$0.33 per excess kVAR.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 21. MEDIUM ECONOMIC DEVELOPMENT; TARIFF MED-4, Section 24-356 is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

DIVISION 21. MEDIUM ECONOMIC DEVELOPMENT; TARIFF MED-5

Section 24-356. Generally.

(a) **EFFECTIVE DATE:** Bills rendered on or after March 19, 2012.

(b) **AVAILABILITY:** Available to a qualifying customer only with the approval of the City of Cartersville Electric System (CES) on a case-by-case basis in all areas served by CES and subject to CES's service rules and regulations.

(c) **APPLICABILITY:** Applicable only to commercial or industrial electric service which is delivered or compensated to one standard voltage and where the following criteria are met:

- 1) New or expanded electric service which is added to the CES system.
- 2) Non-coincident metered demand.
- 3) Minimum monthly metered demand is 200 kW.
- 4) Delivered at one service point.

(d) **TYPE OF SERVICE:** Three-phase, sixty (60) hertz, at a standard voltage.

(e) **MONTHLY RATE:**

Administrative Charge	\$150.00
Generation Demand Charge	\$1.93 per kW of Billing Demand
Transmission Demand Charge	\$2.07 per kW of Billing Demand

Distribution Energy Charge:

Consumption (kWh) not greater than 200 hours
times the Metered Demand:

All kWh 7.0¢ per kWh

Consumption (kWh) in excess of 200 hours and
not greater than 400 hours times the Metered Demand:

All kWh 5.0¢ per kWh

Consumption (kWh) in excess of 400 hours
times the Metered Demand:

All kWh 4.0¢ per kWh

(f) **MINIMUM MONTHLY BILL:** Administrative Charge, plus \$8.00 per kW of Billing Demand, plus Reactive Demand Charges, plus Power Cost Adjustment as applied to the current month metered energy in kWh, plus charges in any applicable rider.

(g) **POWER COST ADJUSTMENTS:** The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

(h) **RIDERS:** The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of

the City of Cartersville.

(i) **BILLING DEMAND:** The Billing Demand shall be based on the highest thirty-minute kW measurement and shall be the greater of the customer's metered demand in the current billing month or the maximum demand metered during the prior eleven months including the current billing month. Until such time as the Billing Demand can be determined, an estimate will be used by CES for billing purposes that shall be not less than the maximum metered demand for the current billing month.

(j) **REACTIVE DEMAND:** Where there is an indication of a power factor of less than 95% lagging, CES may at its' option install metering equipment to measure Reactive Demand. The Reactive Demand is the highest 30-minute kVAR measured during the month. The Excess Reactive Demand is the kVAR which is in excess of one-third of the measured actual kW in the current month. CES will bill Excess Reactive Demand at the rate of \$0.33 per excess kVAR.

(k) **TERM:** Maximum term of initial five (5) years or as stated in contract.

(l) **TERMS AND CONDITIONS:** Service under this tariff may be discontinued and applicable load placed on the standard applicable tariff if, in the opinion of CES, the customer violates any of the following:

- 1) Any two payments for electric service are not delivered in full by the date due as stated on customer's monthly bill.
- 2) Electric service furnished is resold.
- 3) More than one (1) delivery point or more than one (1) standard voltage is required.
- 4) Applicable load increase is less than 200 kW.
- 5) Monthly peak demand is coincident with CES' monthly peak demand.
- 6) Character of service does not meet criteria of this tariff.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the **CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 32. POWER COST ADJUSTMENT RIDER; SCHEDULE PCA-4, Section 24-411** is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

**DIVISION 32. POWER COST ADJUSTMENT RIDER;
SCHEDULE PCA-5**

Section 24-411. Generally.

- (a) EFFECTIVE DATE:** Bills rendered on or after March 19, 2012.
- (b) APPLICABILITY:** Applicable to all electric tariffs of the City of Cartersville Electric System (CES) wherein the Power Cost Adjustment Rider is referenced.
- (c) PURPOSE:** Used by CES to assure that the cost of power purchased by the City from the Municipal Electric Authority of Georgia (MEAG), the Southeastern Power Association (SEPA), and/or any other source is fully recovered by revenues received from retail electric customers.
- (m) MONTHLY RATE:** The base electric rate tariffs include a fixed amount of power supply costs. Variances from this fixed amount of power supply costs, either in excess or in shortfall, shall be collected from or refunded to each of the City's standard metered electric customers on an equal per kWh basis.
- (n) LEVELIZING:** The power supply cost variance will be reviewed monthly. However, in order to keep month-to-month PCA fluctuations reasonable, CES may use a levelizing technique provided that the total variance from the base cost amount, over or under, equals the total amount of PCA revenue collected from customers during each fiscal year.

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 29. SMALL GENERAL SERVICE; TARIFF SG-2, Section 24-396 is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

DIVISION 29. SMALL GENERAL SERVICE; TARIFF SG-3

Section 24-396. Generally.

(v) EFFECTIVE DATE: Bills rendered on or after March 19, 2012.

(w) AVAILABILITY: Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

(x) APPLICABILITY: Applicable to non-residential customers where monthly energy consumption is less than 3,000 kWh's per month. A high load factor customer served under this rate schedule may petition CES to be reclassified to the Small Power tariff. At the sole option of CES, a demand meter will be installed and such customer reclassified.

(y) TYPE OF SERVICE: Single or three-phase, sixty (60) hertz, at a standard voltage.

(z) MONTHLY RATE:

Administrative Charge	\$15.00
Distribution Energy Charge	0.7¢ per kWh
Transmission Charge	0.8¢ per kWh
Generation Charge:	

SUMMER – June through September Billing

All kWh	14.5¢ per kWh
---------------	---------------

WINTER – October through May Billing

All kWh	12.5¢ per kWh
---------------	---------------

(aa) POWER COST ADJUSTMENTS: The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

(bb) RIDERS: The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 24. SMALL POWER SERVICE; TARIFF SP-2, Section 24-371 is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

DIVISION 24. SMALL POWER SERVICE; TARIFF SP-3

Section 24-371. Generally.

(cc) **EFFECTIVE DATE:** Bills rendered on or after March 19, 2012.

(dd) **AVAILABILITY:** Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

(ee) **APPLICABILITY:** Applicable to all commercial or industrial electric service which is delivered or compensated to one standard voltage and where the following criteria are met:

- 5) Billing demand for the current month and the preceding 11 months must be less than or equal to 100 kW as defined in the Billing Demand section of this tariff.
- 6) Average monthly energy consumption shall be greater than or equal to 3,000 kWh's based on the most recent 12 months' data, where available.
- 7) In the event that average monthly energy consumption becomes permanently less than 3,000 kWh's, the customer may switch to the appropriate tariff following 12 months of service on this tariff.

(ff) **TYPE OF SERVICE:** Single or three-phase, sixty (60) hertz, at a standard voltage.

(gg) **MONTHLY RATE:**

Administrative Charge	\$30.00
Distribution Demand Charge	\$1.10 per kW of Billing Demand
Transmission Charge	\$1.85 per kW of Billing Demand

Generation Charge:

Consumption (kWh) not greater than 200 hours
times the billing demand:

First 6,000 kWh	11.8¢ per kWh
Over 6,000 kWh	10.8¢ per kWh

Consumption (kWh) in excess of 200 hours and
not greater than 400 hours times the billing demand:

All kWh	4.6¢ per kWh
---------------	--------------

Consumption (kWh) in excess of 400 hours and
not greater than 600 hours times the billing demand:

All kWh	4.2¢ per kWh
---------------	--------------

Consumption (kWh) in excess of 600 hours
times the billing demand:

All kWh	4.0¢ per kWh
---------------	--------------

(hh) **MINIMUM MONTHLY BILL:** Administrative Charge, plus \$8.00 per kW of Billing Demand in excess of 10 kW, plus Reactive Demand Charges, plus Power Cost Adjustment as applied to the current month metered energy in kWh, plus charges in any applicable rider.

(ii) **POWER COST ADJUSTMENTS:** The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

(jj) RIDERS: The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

(kk) BILLING DEMAND: The maximum billing demand shall be based on the highest thirty-minute kW measurement during the current month and the preceding eleven (11) months.

For the consumption months of June through September, the Billing Demand shall be the greater of:

- 1) The current actual demand; or
- 2) Ninety-Five percent (95%) of the highest actual demand occurring in any previous applicable summer month (June through September); or
- 3) Sixty percent (60%) of the highest actual demand occurring in any previous applicable winter month (October through May).

For the consumption months of October through May, the Billing Demand shall be the greater of:

- 1) Ninety-Five percent (95%) of the highest summer month (June through September); or
- 2) Sixty percent (60%) of the highest winter month (October through May), including the current month.

However, in no case shall the Billing Demand be less than the greater of:

- 1) The Contract Minimum Demand; or
- 2) Fifty-percent (50%) of the contract capacity; or
- 3) 10 kW.

(ll) REACTIVE DEMAND: Where there is an indication of a power factor of less than 95% lagging, CES may at its' option install metering equipment to measure Reactive Demand. The Reactive Demand is the highest 30-minute kVAR measured during the month. The Excess Reactive Demand is the kVAR which is in excess of one-third of the measured actual kW in the current month. CES will bill Excess Reactive Demand at the rate of \$0.33 per excess kVAR.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

1. Amendment to Utilities Ordinance Regarding Electric Rate/Rider Language Modification Only

David Myers Electric Superintendent stated that these rates and riders are not affected by the 2011 Cost of Service study. These rates and riders contain language modifications only and do not affect existing customers. Mr. Myers recommended approval.

NO ACTION REQUIRED

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 10. AREA LIGHTING SERVICE; TARIFF ALS-4, Section 24-301 is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

DIVISION 10. AREA LIGHTING SERVICE; TARIFF ALS-5

Section 24-301. Generally.

(ddd) EFFECTIVE DATE: Bills rendered on or after March 19, 2012.

(eee) AVAILABILITY: Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

(fff) APPLICABILITY: Applicable only to outdoor lighting by ballast-operated vapor lamp fixtures with high pressure sodium (HPS), metal halide (MH), or mercury vapor (MV) lamps, and poles conforming to CES specifications. Service will be rendered only at locations that, in the sole opinion of CES, are readily accessible for maintenance. This tariff is applicable only to outdoor lighting installed, owned and maintained by CES for residential, commercial, or industrial use.

(ggg) MONTHLY RATES:

(1) HIGH PRESSURE SODIUM

<u>Size</u>	<u>Type</u>	<u>Rate</u>
100W	Open Bottom.....	\$10.00
100W	Cobrahead.....	\$11.00
150W	Cobrahead.....	\$13.00
150W	Post Top.....	\$13.00

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the **CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 28. EXCESS FACILITIES CHARGE RIDER; SCHEDULE EFC-2, Section 24-391** is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

**DIVISION 28. EXCESS FACILITIES CHARGE RIDER;
SCHEDULE EFC-3**

Section 24-391. Generally.

(uuu) EFFECTIVE DATE: Bills rendered on or after March 19, 2012.

(vvv) AVAILABILITY: Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

(www) APPLICABILITY: Applicable to existing and new customers who request excess electrical facilities or excess electrical related facilities. This rider is applicable to all electric tariffs wherein Riders are referenced and where the following criteria are met:

- 1) Customer must provide an authorized signature on completed RIDER REQUEST FOR SERVICE form.**
- 2) Customer must have acceptable credit history and payment record.**

(xxx) PURPOSE: To allow customer to reimburse CES on the customer's monthly bill for electric service for expenses incurred by CES in providing excess facilities requested by customer.

(yyy) MONTHLY RATE:

MONTHLY RATE = (TOTAL COST plus ADMINISTRATION FEE) divided by TERM MONTHS.

(1) TOTAL COST:

- 1) Determined by CES. Includes CES or contract labor, CES or contract equipment, CES or contract material, plus any other charges related to providing excess facilities.**
- 2) Minimum of \$2,000.**
- 3) If greater than \$20,000, must be approved by the City of Cartersville City Manager.**

(2) TERM MONTHS:

- 1) Determined by CES, must be for consecutive months.
- 2) Minimum of two (2) months.
- 3) If greater than twelve (12) months, must be approved by the City of Cartersville City Manager.

(3) ADMINISTRATION FEE:

- 1) 5% of TOTAL COST.

(zzz) TERMS AND CONDITIONS: Service under this rider will only be used with the approval of, and at the sole discretion of, CES and is subject to the following:

- 1) Type, extent, and location of excess facilities will be determined by CES.
- 2) Excess facilities, unless otherwise noted on the RIDER REQUEST FOR SERVICE form, will be the property of CES.
- 3) Should excess facilities be jointly used with other customers, each customer's share of the cost of the excess facilities will be based prorata on the individual customer's non-coincident peak demands or other reasonable method of allocating joint use costs. The administration fee will be charged to each customer.

Service under this rider may be discontinued and the full remaining balance (including the monthly administration fee(s)) immediately due if, in the opinion of CES, the customer violates any of the following:

- 1) Any two payments for electric service are not delivered in full by the date due as stated on customer's monthly bill.
- 2) Any two payments for charges under this rider are not delivered in full by the date due as stated on customer's monthly bill.
- 3) Electric service furnished is resold.
- 4) Character of service does not meet criteria of this rider.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

(bbbb) AVAILABILITY: Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

(cccc) APPLICABILITY: Applicable only to small unmetered loads and related non-kWh services.

10) Unmetered service will be rendered only at locations that, in the sole opinion of CES, are not suitable to be metered and unmetered service represents the best practice. CES may at its' option install metering equipment to measure actual usage. This tariff is applicable to cable television amplifiers and power supplies, tornado sirens, and similar loads.

11) Related non-kWh services will be billed as requested by the customer. This tariff is applicable to surge protection service and similar services.

(dddd) TYPE OF SERVICE: Unmetered power normally supplied under this rate shall be 115 volts, single phase, 60 hertz.

(eeee) **MONTHLY RATE:** Due to variety, a monthly dollar amount will be calculated independently for each type load based on estimated usage and usage patterns.

(ffff) **MINIMUM MONTHLY BILL:** The minimum monthly bill is \$8.50.

(gggg) **TERM OF CONTRACT:** Unless otherwise specified in a signed contract, the term is a minimum of three (3) years. CES may, at its option, require an advance payment of up to one-half (1/2) of the estimated maximum annual revenue expected to occur during the term of the contract.

(hhhh) **POWER COST ADJUSTMENTS:** This tariff is not subject to the Power Cost Adjustment Rider.

(iiii) **RIDERS:** The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

BE IT AND IT IS HEREBY ORDAINED.

First Reading this the 16th day of February 2012.

ADOPTED this the 1st day of March 2012. Second Reading.

Ordinance

of the

City of Cartersville, Georgia

Ordinance No.

NOW BE IT AND IT IS HEREBY ORDAINED by the Mayor and City Council of the City of Cartersville, Georgia, that the **CITY OF CARTERSVILLE CODE OF ORDINANCES, CHAPTER 24. UTILITIES, ARTICLE X. ELECTRIC SYSTEM, DIVISION 9. MULTIPLE BILLING DEMAND RIDER; SCHEDULE MBD-3, Section 24-296** is hereby amended by deleting said Division in its' entirety and replacing it with the following:

1.

**DIVISION 9. MULTIPLE BILLING DEMAND RIDER;
SCHEDULE MBD-4**

Section 24-296. Generally.

(jjjj) EFFECTIVE DATE: Bills rendered on or after March 19, 2012.

(kkkk) AVAILABILITY: Available to a qualifying customer only with the approval of the City of Cartersville Electric System (CES) on a case-by-case basis in all areas served by CES and subject to CES's service rules and regulations.

(llll) APPLICABILITY: Applicable to existing customers where the following criteria are met:

- 1) Customer must have acceptable credit history and payment record.**
- 2) Customer takes service on one or more of the following tariffs: LP, XLP or other tariffs as deemed applicable by CES.**
- 3) Customer's yearly average load factor is greater than or equal to 50%.**

(mmmm) PURPOSE: To combine readings of multiple electric meters at multiple service locations so that for billing purposes there is only one meter and service point. CES tariffs are based on electric service delivered at one point; therefore, CES will bill the rate in this rider to any qualifying customer who has more than one service point to cover additional labor and maintenance costs incurred to accommodate such service.

(nnnn) MONTHLY RATE:
Administrative Charge \$150.00

(oooo) TERMS AND CONDITIONS: Service under this rider will only be used with the approval of, and at the sole discretion of, CES and is subject to the following:

- 3) Type, extent, and location of additional service points and/or metering points will be determined by CES.**
- 4) Customer is responsible for all costs associated in accommodating service under this rider.**

Service under this rider may be discontinued if, in the opinion of CES, the customer violates any of the following:

- 1) Any two payments for electric service are not delivered in full by the date due as stated on customer's monthly bill.
- 2) Any two payments for charges under this rider are not delivered in full by the date due as stated on customer's monthly bill.
- 3) Customer's load factor drops below 50%.
- 4) Electric service furnished is resold.
- 5) Character of service does not meet criteria of this rider.

2.

It is the intention of the city council and it is hereby ordained that the provisions of this ordinance shall become and be made a part of the Code of Ordinances, City of Cartersville, Georgia, and the sections of this ordinance may be renumbered to accomplish such intention.

BE IT AND IT IS HEREBY ORDAINED.

First Reading this the 16th day of February 2012.

ADOPTED this the 1st day of March 2012. Second Reading.

C. Appointments

1. Planning Commission

Randy Mannino, Planning and Development Director stated that the terms of four (4) members of the Planning Commission will expire soon and that all four members have expressed a desire to continue to serve on the board. Mr. Mannino recommended reappointment of the following:

At Large	Lamar Pendley	2 year term
Ward 2	Steven Smith	4 year term
Ward 4	Harrison Dean	4 year term
Ward 6	Lamar Pinson	4 year term

A motion to approve the reappointment of all four members was made by Council Member Stepp and seconded by Council Member Hodge. Motion carried unanimously. Vote 6-0

2. Etowah Area Consolidated Housing Authority

Sam Grove, City Manager stated that the term of Calvin Cooley on the Board of Commissioners of the Etowah Area Consolidated Housing Authority will expire April 1, 2012. Mr. Cooley has been on the board since 1992 and has expressed a desire to continue to serve. Mr. Gove recommended approval.

A motion to approve the reappointment of Calvin Cooley was made by Council Member Hodge and seconded by Council Member McDaniel. Motion carried unanimously. Vote 6-0

D. Resolutions

1. Freeport

Mayor Santini asked that this item be removed from the agenda at this time. A motion to remove this item from the agenda was made by Council Member Tonsmeire and seconded by Council Member Tate. Motion carried unanimously. Vote 6-0

E. Contracts/Agreements

1. Southland Engineering, Inc. Regarding Etowah River “Blue Trail” at Leake Mounds

James Gordy, Assistant Director Parks and Recreation Department stated that the council has approved a grant from the GA DNR Recreational Trails program for the Etowah River “Blue Trail” at Leake Mounds. This canoe/kayak launch project allows the CPRD to partner with GA DNR with a maximum grant award of \$32,924.00, Coosa River Basin Initiative with a cash donation of \$3,400.00 and Bartow County Public Works with a donation of track hoe and operator during the construction of the launch making the estimated total cost \$45,474.00. The city has a service agreement with Southland Engineering Inc. and Mr. Gordy recommended approval of Task Order #11-0003 as related to the Leake Mounds project in an amount not to exceed \$7,450.00.

A motion to approve Task Order #11-0003 with Southland Engineering was made by Council Member Stepp and seconded by Council Member McDaniel. Motion carried unanimously. Vote 6-0

2. Travelers Insurance Automobile Settlement

Dan Porta, Assistant City Manager stated that a city employee was involved in an automobile accident with another individual in August 2011. The cost to repair the other person’s vehicle was \$6,015.45. In addition Travelers Insurance has negotiated a settlement with

this individual in the amount of \$10,565.00 for additional damages. Due to the fact that the city was determined to be at fault in this accident Mr. Porta recommended approval of this settlement.

A motion to approve the recommended settlement was made by Council Member Stepp and seconded by Council Member Tonsmeire. Motion carried unanimously. Vote 6-0

F. Change Order

1. Main Street Gateway Change Order #1

Dan Porta, Assistant City Manager stated that city staff requested C.W. Matthews solicit bids to install a joint utility trench for three utility companies who each need to move their cables underground for the Main Street Gateway project. The lowest and best price received is \$263,250.00 which is for the installation of the conduit, but does not include handling rock (if encountered). Cartersville Fiber had estimated \$120,000.00 for installation of their utility duct, and the city is responsible for the installation of AT&T and Comcast's utility ductbank. Therefore, the joint installation of a utility ductbank for all three utilities is a savings to the city. Mr. Porta stated that this will be paid with the 2003 SPLOST and recommended approval.

A motion to approve Change Order #1 was made by Council Member Stepp and seconded by Council Member Hodge. Motion carried unanimously. Vote 6-0

G. Bid Award/Purchases

1. Property for Habitat Project

Tom Quist, Assistant to the City Manager stated that this property, intended to be used for the fifth Habitat for Humanity house, is located at 145 Douglas Street. This property is owned by Sheryl Cole and the estimated purchase price of \$16,500.00 is consistent with the appraised value. The cost of purchase, as well as all reasonable closing costs will be reimbursed through the CDBG Disaster Recover Supplemental program funding the Habitat project and Mr. Quist recommended approval of the purchase up to \$20,000.00 (including closing costs).

A motion to authorize the purchase up to \$20,000.00 (including closing costs) was made by Council Member Tonsmeire and seconded by Council Member Tate. Motion carried unanimously. Vote 6-0

2. C. W. Matthews Contracting Company for Road Resurfacing

Bobby Elliott, Public Works Superintendent stated that this resurfacing project consists of three streets covered by the Georgia Department of Transportation Local Maintenance and Improvement Grant (GDOT LMIG) contract for \$141,983.73. The streets to be paved under this contract and reimbursed by GDOT LMIG include Terrell Drive, Donn Drive, and Quality Drive. Mr. Elliott stated that he had also added enough to this contract to pave the surface course in Rover Shoals Subdivision and Mission Estates Phase VI. Due to a cost increase for liquid

asphalt the project bids came in a little higher than estimated; Mr. Elliott recommended approval of the low bid from C. W. Matthews Contracting Company in the amount of \$351,675.75.

A motion to approve the resurfacing contract with C.W. Matthews Contracting was made by Council Member McDaniel and seconded by Council Member Pruitt. Motion carried unanimously. Vote 6-0

3. Split Bell Repair Sleeves for Water Department

Ed Mullinax, Assistant Water Superintendent stated that the reserve repair sleeves have been used and need to be replaced. These two repair sleeves will allow for a quick repair on either a 20" or 16" pipe that is damaged (including joints) without removing them from service. Mr. Mullinax stated that the sole vendor for this product is Consolidated Pipe and Supply and recommended approval of the purchase in the amount of \$9,226.00.

A motion to approve the purchase from Consolidated Pipe and Supply was made by Council Member Tonsmeire and seconded by Council Member Pruitt. Motion carried unanimously. Vote 6-0

H. Monthly Financial Statement

1. December 2011

Tom Rhinehart, Finance Director, presented the December 2011 monthly financial statement with comparisons from the previous year of December 2010, by fund, along with supplemental financial information comparing the year to date revenues and expenses for each fund and a report of cash position through December 2011.

After announcements and an update from Bobby Elliott on the recycle program, a motion to adjourn the meeting was made by Council Member Hodge and needing no second. Motion carried unanimously. Vote 6-0

City Council Meeting

3/1/2012 7:00:00 PM

Amendment to Utilities Ordinance Regarding Electric Rates

SubCategory:	Second Reading of Ordinances																		
Department Name:	Electric																		
Department Summary Recommendation:	Wholesale cost increases continue as a result of environmental costs at our coal plants, nuclear fuel increases, and reduced off-system sales requiring an adjustment of our retail rates. In late 2011, a Cost of Service study was performed to reapportion these costs. The study was performed by an independent outside firm using methodology consistent with electric municipalities across the State of Georgia and was presented to City Council on December 8. No increases for the City of Cartersville are included in the proposed rates. Attached are the proposed rates pursuant to this study. The items changed are shown in red. If approved, these rates will go into effect with billing for March's consumption. The proposed rates change the existing rates in the following manner: <table><tr><td>Residential</td><td>+0.42%</td></tr><tr><td>Small General Service</td><td>+1.91%</td></tr><tr><td>Small Power</td><td>-4.70%</td></tr><tr><td>Medium Power</td><td>-4.97%</td></tr><tr><td>Large Power</td><td>+1.77%</td></tr><tr><td>Extra Large Power</td><td>-0.76%</td></tr><tr><td>Economic Development</td><td>-1.99%</td></tr><tr><td>Street Lights</td><td>+19.50%</td></tr><tr><td>City Government</td><td>-1.97%</td></tr></table> I recommend your approval of these proposed rates to recover the increase in wholesale energy.	Residential	+0.42%	Small General Service	+1.91%	Small Power	-4.70%	Medium Power	-4.97%	Large Power	+1.77%	Extra Large Power	-0.76%	Economic Development	-1.99%	Street Lights	+19.50%	City Government	-1.97%
Residential	+0.42%																		
Small General Service	+1.91%																		
Small Power	-4.70%																		
Medium Power	-4.97%																		
Large Power	+1.77%																		
Extra Large Power	-0.76%																		
Economic Development	-1.99%																		
Street Lights	+19.50%																		
City Government	-1.97%																		
City Manager's Remarks:	Your approval of the new rate ordinance as outlined above is recommended.																		
Financial/Budget Certification:	Proposed rates to recover escalation in wholesale power costs, remainder of budget is unaffected.																		
Legal:	Ordinances have been reviewed by Keith Lovell.																		
Associated Information:																			

Cover Memo

RESIDENTIAL POWER SERVICE, **RP-4**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 1	Bills Rendered on or after March 19, 2012	1.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to all domestic uses of a residential customer in a separately metered single family or multifamily dwelling unit.

TYPE OF SERVICE:

Power normally supplied under this rate shall be 115/230 volts, single phase, 60 hertz. Three-phase service may be furnished, where available.

MONTHLY RATE:

Administrative Charge	\$10.00
Distribution Energy Charge	0.9¢ per kWh
Transmission Charge	0.6¢ per kWh
Generation Charge:	

SUMMER – June through September Billing

First 650 kWh	8.1¢ per kWh
Next 350 kWh	10.3¢ per kWh
Over 1,000 kWh	10.9¢ per kWh

WINTER – October through May Billing

First 650 kWh	8.1¢ per kWh
Next 350 kWh	7.7¢ per kWh
Over 1,000 kWh	7.3¢ per kWh

POWER COST ADJUSTMENTS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

TEMPORARY POWER SERVICE, TP-2

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 1	Bills Rendered on or after March 19, 2012	3.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to all construction uses and temporary uses such as fairs, carnivals, Christmas tree stands, and similar locations and structures where such service will be for less than 12 months duration.

A high load factor customer served under this rate schedule may petition CES to be reclassified to the Small Power tariff. At the sole option of CES, a demand meter will be installed and such customer reclassified.

TYPE OF SERVICE:

Single or three-phase, sixty (60) hertz, at a standard voltage.

MONTHLY RATE:

Administrative Charge	\$15.00
Distribution Energy Charge	0.7¢ per kWh
Transmission Charge	0.8¢ per kWh
Generation Charge	14.5¢ per kWh

POWER COST ADJUSTMENTS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

SMALL GENERAL SERVICE, **SG-3**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 1	Bills Rendered on or after March 19, 2012	4.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to non-residential customers where monthly energy consumption is less than 3,000 kWh's per month. A high load factor customer served under this rate schedule may petition CES to be reclassified to the Small Power tariff. At the sole option of CES, a demand meter will be installed and such customer reclassified.

TYPE OF SERVICE:

Single or three-phase, sixty (60) hertz, at a standard voltage.

MONTHLY RATE:

Administrative Charge	\$15.00
Distribution Energy Charge	0.7¢ per kWh
Transmission Charge	0.8¢ per kWh
Generation Charge:	

SUMMER – June through September Billing

All kWh **14.5¢** per kWh

WINTER – October through May Billing

All kWh **12.5¢** per kWh

POWER COST ADJUSTMENTS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

CITY GOVERNMENT SERVICE, **CG-3**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 1	Bills Rendered on or after March 19, 2012	6.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to all facilities owned, leased by, or operated by the City of Cartersville for the provision of municipal services including, but not limited to, schools, utilities, fire and police protection, solid waste disposal, and general office functions.

TYPE OF SERVICE:

Single or three-phase, sixty (60) hertz, at a standard voltage.

MONTHLY RATE:

Administrative Charge	\$15.00
Distribution Energy Charge	0.5¢ per kWh
Transmission Charge	0.7¢ per kWh
Generation Charge	8.8¢ per kWh

POWER COST ADJUSTMENTS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

SMALL POWER SERVICE, **SP-3**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 2	Bills Rendered on or after March 19, 2012	7.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to all commercial or industrial electric service which is delivered or compensated to one standard voltage and where the following criteria are met:

- 1) Billing demand for the current month and the preceding 11 months must be less than or equal to 100 kW as defined in the Billing Demand section of this tariff.
- 2) Average monthly energy consumption shall be greater than or equal to 3,000 kWh's based on the most recent 12 months' data, where available.
- 3) In the event that average monthly energy consumption becomes permanently less than 3,000 kWh's, the customer may switch to the appropriate tariff following 12 months of service on this tariff.

TYPE OF SERVICE:

Single or three-phase, sixty (60) hertz, at a standard voltage.

MONTHLY RATE:

Administrative Charge	\$30.00
Distribution Demand Charge	\$1.10 per kW of Billing Demand
Transmission Charge	\$1.85 per kW of Billing Demand
Generation Charge:	

Consumption (kWh) not greater than 200 hours times the billing demand:

First 6,000 kWh	11.8¢ per kWh
Over 6,000 kWh	10.8¢ per kWh

Consumption (kWh) in excess of 200 hours and not greater than 400 hours times the billing demand:

All kWh	4.6¢ per kWh
---------------	--------------

Consumption (kWh) in excess of 400 hours and not greater than 600 hours times the billing demand:

All kWh	4.2¢ per kWh
---------------	--------------

Consumption (kWh) in excess of 600 hours times the billing demand:

All kWh	4.0¢ per kWh
---------------	--------------

SMALL POWER SERVICE, **SP-3** (continued)

PAGE 2 of 2		PAGE 7.10
-----------------------	--	---------------------

MINIMUM MONTHLY BILL:

Administrative Charge, plus \$8.00 per kW of Billing Demand in excess of 10 kW, plus Reactive Demand Charges, plus Power Cost Adjustment as applied to the current month metered energy in kWh, plus charges in any applicable rider.

POWER COST ADJUSTMENTS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

BILLING DEMAND:

The maximum billing demand shall be based on the highest thirty-minute kW measurement during the current month and the preceding eleven (11) months.

For the consumption months of June through September, the Billing Demand shall be the greater of:

- 1) The current actual demand; or
- 2) Ninety-Five percent (95%) of the highest actual demand occurring in any previous applicable summer month (June through September); or
- 3) Sixty percent (60%) of the highest actual demand occurring in any previous applicable winter month (October through May).

For the consumption months of October through May, the Billing Demand shall be the greater of:

- 1) Ninety-Five percent (95%) of the highest summer month (June through September); or
- 2) Sixty percent (60%) of the highest winter month (October through May), including the current month.

However, in no case shall the Billing Demand be less than the greater of:

- 1) The Contract Minimum Demand; or
- 2) Fifty-percent (50%) of the contract capacity; or
- 3) 10 kW.

REACTIVE DEMAND:

Where there is an indication of a power factor of less than 95% lagging, CES may at its' option install metering equipment to measure Reactive Demand. The Reactive Demand is the highest 30-minute kVAR measured during the month. The Excess Reactive Demand is the kVAR which is in excess of one-third of the measured actual kW in the current month. CES will bill Excess Reactive Demand at the rate of \$0.33 per excess kVAR.

MEDIUM POWER SERVICE, MP-3

PAGE	EFFECTIVE DATE	PAGE NO.
1 of 2	Bills Rendered on or after March 19, 2012	8.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to all commercial or industrial electric service which is delivered or compensated to one standard voltage and where the following criteria are met:

- 1) Billing demand for the current month and the preceding 11 months must be greater than 100 kW and less than 1,000 kW as defined in the Billing Demand section of this tariff.
- 2) In the event that Billing Demand becomes permanently less than 100 kW, the customer may switch to the appropriate tariff following 12 months of service on this tariff.

TYPE OF SERVICE:

REMOVED "Single or t" Three-phase, sixty (60) hertz, at a standard voltage.

MONTHLY RATE:

Administrative Charge \$60.00
 Distribution Demand Charge \$1.10 per kW of Billing Demand
 Transmission Charge \$2.00 per kW of Billing Demand
 Generation Charge:

Consumption (kWh) not greater than 200 hours times the billing demand:

First 20,000 kWh 10.8¢ per kWh
 Over 20,000 kWh 10.0¢ per kWh

Consumption (kWh) in excess of 200 hours and not greater than 400 hours times the billing demand:

All kWh 4.6¢ per kWh

Consumption (kWh) in excess of 400 hours and not greater than 600 hours times the billing demand:

All kWh 4.2¢ per kWh

Consumption (kWh) in excess of 600 hours times the billing demand:

All kWh 4.0¢ per kWh

MEDIUM POWER SERVICE, **MP-3** (continued)

PAGE 2 of 2		PAGE 8.10
-----------------------	--	---------------------

MINIMUM MONTHLY BILL:

Administrative Charge, plus \$8.00 per kW of Billing Demand in excess of 30 kW, plus Reactive Demand Charges, plus Power Cost Adjustment as applied to the current month metered energy in kWh, plus charges in any applicable rider.

POWER COST ADJUSTMENTS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

BILLING DEMAND:

The maximum billing demand shall be based on the highest thirty-minute kW measurement during the current month and the preceding eleven (11) months.

For the consumption months of June through September, the Billing Demand shall be the greater of:

- 1) The current actual demand; or
- 2) Ninety-Five percent (95%) of the highest actual demand occurring in any previous applicable summer month (June through September); or
- 3) Sixty percent (60%) of the highest actual demand occurring in any previous applicable winter month (October through May).

For the consumption months of October through May, the Billing Demand shall be the greater of:

- 1) Ninety-Five percent (95%) of the highest summer month (June through September); or
- 2) Sixty percent (60%) of the highest winter month (October through May), including the current month.

However, in no case shall the Billing Demand be less than the greater of:

- 1) The Contract Minimum Demand; or
- 2) Fifty-percent (50%) of the contract capacity; or
- 3) 95 kW (95% of 100 kW).

REACTIVE DEMAND:

Where there is an indication of a power factor of less than 95% lagging, CES may at its' option install metering equipment to measure Reactive Demand. The Reactive Demand is the highest 30-minute kVAR measured during the month. The Excess Reactive Demand is the kVAR which is in excess of one-third of the measured actual kW in the current month. CES will bill Excess Reactive Demand at the rate of \$0.33 per excess kVAR.

- 3) 950 kW (95% of 1,000 kW).

REACTIVE DEMAND:

Where there is an indication of a power factor of less than 95% lagging, CES may at its' option install metering equipment to measure Reactive Demand. The Reactive Demand is the highest 30-minute kVAR measured during the month. The Excess Reactive Demand is the kVAR which is in excess of one-third of the measured actual kW in the current month. CES will bill Excess Reactive Demand at the rate of \$0.33 per excess kVAR.

EXTRA LARGE POWER SERVICE, **XLP-3**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 2	Bills Rendered on or after March 19, 2012	10.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to all commercial or industrial electric service which is delivered or compensated to one standard voltage and where the following criteria are met:

- 1) Billing demand for the current month and the preceding 11 months must be greater than or equal to 3,500 kW as defined in the Billing Demand section of this tariff.
- 2) In the event that Billing Demand becomes permanently less than 3,500 kW, the customer may switch to the appropriate tariff following 12 months of service on this tariff.

TYPE OF SERVICE:

Three-phase, sixty (60) hertz, at a standard voltage.

MONTHLY RATE:

Administrative Charge	\$250.00
Distribution Demand Charge	\$1.00 per kW of Billing Demand
Transmission Charge	\$2.20 per kW of Billing Demand
Generation Charge:	

Consumption (kWh) not greater than 200 hours times the billing demand:

First 700,000 kWh	9.4¢ per kWh
Over 700,000 kWh	8.8¢ per kWh

Consumption (kWh) in excess of 200 hours and not greater than 400 hours times the billing demand:

All kWh	4.6¢ per kWh
---------------	--------------

Consumption (kWh) in excess of 400 hours and not greater than 600 hours times the billing demand:

All kWh	4.2¢ per kWh
---------------	--------------

Consumption (kWh) in excess of 600 hours times the billing demand:

All kWh	4.0¢ per kWh
---------------	--------------

EXTRA LARGE POWER SERVICE, **XLP-3** (continued)

PAGE 2 of 2		PAGE 10.10
-----------------------	--	----------------------

MINIMUM MONTHLY BILL:

Administrative Charge, plus \$8.00 per kW of Billing Demand, plus Reactive Demand Charges, plus Power Cost Adjustment as applied to the current month metered energy in kWh, plus charges in any applicable rider.

POWER COST ADJUSTMENTS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

BILLING DEMAND:

The maximum billing demand shall be based on the highest thirty-minute kW measurement during the current month and the preceding eleven (11) months.

For the consumption months of June through September, the Billing Demand shall be the greater of:

- 1) The current actual demand; or
- 2) Ninety-Five percent (95%) of the highest actual demand occurring in any previous applicable summer month (June through September); or
- 3) Sixty percent (60%) of the highest actual demand occurring in any previous applicable winter month (October through May).

For the consumption months of October through May, the Billing Demand shall be the greater of:

- 1) Ninety-Five percent (95%) of the highest summer month (June through September); or
- 2) Sixty percent (60%) of the highest winter month (October through May), including the current month.

However, in no case shall the Billing Demand be less than the greater of:

- 1) The Contract Minimum Demand; or
- 2) Fifty-percent (50%) of the contract capacity; or
- 3) 3,325 kW (95% of 3,500 kW).

REACTIVE DEMAND:

Where there is an indication of a power factor of less than 95% lagging, CES may at its' option install metering equipment to measure Reactive Demand. The Reactive Demand is the highest 30-minute kVAR measured during the month. The Excess Reactive Demand is the kVAR which is in excess of one-third of the measured actual kW in the current month. CES will bill Excess Reactive Demand at the rate of \$0.33 per excess kVAR.

CITY GOVERNMENT LIGHTING SERVICE, **CGL-5**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 2	Bills Rendered on or after March 19, 2012	13.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable only to outdoor lighting by ballast-operated vapor lamp fixtures with high pressure sodium (HPS), metal halide (MH), or mercury vapor (MV) lamps, and poles conforming to CES specifications. Service will be rendered only at locations that, in the sole opinion of CES, are readily accessible for maintenance. This tariff is applicable only to public street lighting and traffic signals.

MONTHLY RATES:

HIGH PRESSURE SODIUM

<u>Size</u>	<u>Type</u>	<u>Rate</u>	<u>Size</u>	<u>Type</u>	<u>Rate</u>

TERM OF CONTRACT:

The **REMOVED** "original" term is **REMOVED** "of this contract will be" a minimum of five (5) years **REMOVED** ", and thereafter until terminated by either party".

POWER COST ADJUSTMENTS:

This tariff is not subject to the Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

MEDIUM ECONOMIC DEVELOPMENT, **MED-5**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 2	Bills Rendered on or after March 19, 2012	15.00

AVAILABILITY:

Available to a qualifying customer only with the approval of the City of Cartersville Electric System (CES) on a case-by-case basis in all areas served by CES and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable only to commercial or industrial electric service which is delivered or compensated to one standard voltage and where the following criteria are met:

- 1) New or expanded electric service which is added to the CES system.
- 2) Non-coincident metered demand.
- 3) Minimum monthly metered demand is 200 kW.
- 4) Delivered at one service point.

TYPE OF SERVICE:

Three-phase, sixty (60) hertz, at a standard voltage. **REMOVED** "This service may include firm or interruptible power."

MONTHLY RATE:

Administrative Charge	\$150.00
Generation Demand Charge	\$1.93 per kW of Billing Demand
Transmission Demand Charge	\$2.07 per kW of Billing Demand
Distribution Energy Charge:	

**Consumption (kWh) not greater than 200 hours
times the Metered Demand:**

All kWh **7.0¢** per kWh

**Consumption (kWh) in excess of 200 hours and
not greater than 400 hours times the Metered Demand:**

All kWh **5.0¢** per kWh

**Consumption (kWh) in excess of 400 hours
times the Metered Demand:**

All kWh **4.0¢** per kWh

MINIMUM MONTHLY BILL:

Administrative Charge, plus \$8.00 per kW of Billing Demand, plus Reactive Demand Charges, plus Power Cost Adjustment as applied to the current month metered energy in kWh, plus charges in any applicable rider.

MEDIUM ECONOMIC DEVELOPMENT, **MED-5** (continued)

PAGE 2 of 2			PAGE 15.10
-----------------------	--	--	-----------------------------

POWER COST ADJUSTMENTS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of the effective Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

BILLING DEMAND:

The Billing Demand shall be based on the highest thirty-minute kW measurement and shall be the greater of the customer's metered demand in the current billing month or the maximum demand metered during the prior eleven months including the current billing month. Until such time as the Billing Demand can be determined, an estimate will be used by CES for billing purposes that shall be not less than the maximum metered demand for the current billing month.

REACTIVE DEMAND:

Where there is an indication of a power factor of less than 95% lagging, CES may at its' option install metering equipment to measure Reactive Demand. The Reactive Demand is the highest 30-minute kVAR measured during the month. The Excess Reactive Demand is the kVAR which is in excess of one-third of the measured actual kW in the current month. CES will bill Excess Reactive Demand at the rate of \$0.33 per excess kVAR.

TERM:

Maximum term of initial five (5) years or as stated in contract.

TERMS AND CONDITIONS:

Service under this tariff may be discontinued and applicable load placed on the standard applicable tariff if, in the opinion of CES, the customer violates any of the following:

- 1) Any two payments for electric service are not delivered in full by the date due as stated on customer's monthly bill.
- 2) Electric service furnished is resold.
- 3) More than one (1) delivery point or more than one (1) standard voltage is required.
- 4) Applicable load increase is less than 200 kW.
- 5) Monthly peak demand is coincident with CES' monthly peak demand.
- 6) Character of service does not meet criteria of this tariff.

POWER COST ADJUSTMENT RIDER, **PCA-5**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 1	Bills Rendered on or after March 19, 2012	21.00

APPLICABILITY:

Applicable to all electric tariffs of the City of Cartersville Electric System (CES) wherein the Power Cost Adjustment Rider is referenced.

PURPOSE:

Used by CES to assure that the cost of power purchased by the City from the Municipal Electric Authority of Georgia (MEAG), the Southeastern Power Association (SEPA), and/or any other source is fully recovered by revenues received from retail electric customers.

MONTHLY RATE:

The **REMOVED "standard"** base electric rate tariffs **REMOVED "effective with bills rendered on or after October 18, 2005"** include a fixed amount of power supply costs. Variances from this fixed amount of power supply costs, either in excess or in shortfall, shall be collected from or refunded to each of the City's standard metered electric customers on an equal per kWh basis.

LEVELIZING:

The power supply cost variance will be reviewed monthly. However, in order to keep month-to-month PCA fluctuations reasonable, CES may use a levelizing technique provided that the total variance from the base cost amount, over or under, equals the total amount of PCA revenue collected from customers during each **fiscal REMOVED "calendar"** year.

FLAT POWER SERVICE, **FP-2**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 1	Bills Rendered on or after March 19, 2012	5.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable only to small unmetered loads and related non-kWh services.

- 1) Unmetered service will be rendered only at locations that, in the sole opinion of CES, are not suitable to be metered and unmetered service represents the best practice. CES may at its' option install metering equipment to measure actual usage. This tariff is applicable to cable television amplifiers and power supplies, tornado sirens, and similar loads.
- 2) Related non-kWh services will be billed as requested by the customer. This tariff is applicable to surge protection service and similar services.

TYPE OF SERVICE:

Unmetered power normally supplied under this rate shall be 115 volts, single phase, 60 hertz.

MONTHLY RATE:

Due to variety, a monthly dollar amount will be calculated independently for each type load based on estimated usage and usage patterns.

MINIMUM MONTHLY BILL:

The minimum monthly bill is \$8.50.

TERM OF CONTRACT:

Unless otherwise specified in a signed contract, the **REMOVED "original" term is REMOVED "of this contract will be"** a minimum of three (3) years **REMOVED "**, and thereafter until terminated by either party". CES may, at its option, require an advance payment of up to one-half (1/2) of the estimated maximum annual revenue expected to occur during the term of the contract.

POWER COST ADJUSTMENTS:

This tariff is not subject to the Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

AREA LIGHTING SERVICE, **ALS-5**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 2	Bills Rendered on or after March 19, 2012	11.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable only to outdoor lighting by ballast-operated vapor lamp fixtures with high pressure sodium (HPS), metal halide (MH), or mercury vapor (MV) lamps, and poles conforming to CES specifications. Service will be rendered only at locations that, in the sole opinion of CES, are readily accessible for maintenance. This tariff is applicable only to outdoor lighting installed, owned and maintained by CES for residential, commercial, or industrial use.

The **REMOVED** "original" term **is REMOVED** "of this contract will be" a minimum of three (3) years **REMOVED** ", and thereafter until terminated by either party". CES may, at its option, require an advance payment of up to one-half (1/2) of the estimated maximum annual revenue expected to occur during the term of the contract.

POWER COST ADJUSTMENTS:

This tariff is not subject to the Power Cost Adjustment Rider.

RIDERS:

The amount calculated in this tariff is subject to increase or decrease under the provisions of any applicable rider that may be approved by the City Council of the City of Cartersville.

EXCESS FACILITIES CHARGE RIDER, **EFC-3**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 2	Bills Rendered on or after March 19, 2012	23.00

AVAILABILITY:

Available in all areas served by the City of Cartersville Electric System (CES) and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to existing and new customers who request excess electrical facilities or excess electrical related facilities. This rider is applicable to all electric tariffs wherein Riders are referenced and where the following criteria are met:

- 1) Customer must provide an authorized signature on completed RIDER REQUEST FOR SERVICE form.
- 2) Customer must have acceptable credit history and payment record.

PURPOSE:

To allow customer to reimburse CES on the customer's monthly bill for electric service for expenses incurred by CES in providing excess facilities requested by customer.

MONTHLY RATE:

MONTHLY RATE = (TOTAL COST plus ADMINISTRATION FEE) divided by TERM MONTHS.

TOTAL COST:

- 1) Determined by CES. Includes CES or contract labor, CES or contract equipment, CES or contract material, plus any other charges related to providing excess facilities.
- 2) Minimum of \$2,000.
- 3) If greater than \$20,000, must be approved by the City of Cartersville City Manager.

TERM MONTHS:

- 1) Determined by CES, must be for consecutive months.
- 2) Minimum of two (2) months.
- 3) If greater than twelve (12) months, must be approved by the City of Cartersville City Manager.

ADMINISTRATION FEE:

- 1) **5% of TOTAL COST.**

EXCESS FACILITIES CHARGE RIDER, **EFC-3** (continued)

<u>PAGE</u> 2 of 2		<u>PAGE</u> 23.10
-----------------------	--	----------------------

TERMS AND CONDITIONS:

Service under this rider will only be used with the approval of, and at the sole discretion of, CES and is subject to the following:

- 1) Type, extent, and location of excess facilities will be determined by CES.
- 2) Excess facilities, unless otherwise noted on the RIDER REQUEST FOR SERVICE form, will be the property of CES.
- 3) Should excess facilities be jointly used with other customers, each customer's share of the cost of the excess facilities will be based prorata on the individual customer's non-coincident peak demands or other reasonable method of allocating joint use costs. The administration fee will be charged to each customer.

Service under this rider may be discontinued and the full remaining balance (including the monthly administration fee(s)) immediately due if, in the opinion of CES, the customer violates any of the following:

- 1) Any two payments for electric service are not delivered in full by the date due as stated on customer's monthly bill.
- 2) Any two payments for charges under this rider are not delivered in full by the date due as stated on customer's monthly bill.
- 3) Electric service furnished is resold.
- 4) Character of service does not meet criteria of this rider.

MULTIPLE BILLING DEMAND RIDER, **MBD-4**

<u>PAGE</u>	<u>EFFECTIVE DATE</u>	<u>PAGE</u>
1 of 1	Bills Rendered on or after March 19, 2012	24.00

AVAILABILITY:

Available to a qualifying customer only with the approval of the City of Cartersville Electric System (CES) on a case-by-case basis in all areas served by CES and subject to CES's service rules and regulations.

APPLICABILITY:

Applicable to existing customers where the following criteria are met:

- 1) Customer must have acceptable credit history and payment record.
- 2) Customer takes service on one or more of the following tariffs: LP, XLP or other tariffs as deemed applicable by CES.
- 3) Customer's yearly average load factor is greater than or equal to 50%.
- 4) **REMOVED "Customer took service from CES under one of the above tariffs on or before October 18, 2005 and the Billing Demand for such service was based on a multiple peak billing determinant."**

REMOVED "This rider is not applicable with any electric incentive tariff, Economic Development tariff, or any other rider that causes a reduction of cost for electric service billed to customer."

PURPOSE:

To combine readings of multiple electric meters at multiple service locations so that for billing purposes there is only one meter and service point. CES tariffs are based on electric service delivered at one point; therefore, CES will bill the rate in this rider to any qualifying customer who has more than one service point to cover additional labor and maintenance costs incurred to accommodate such service.

MONTHLY RATE:

Administrative Charge \$150.00

TERMS AND CONDITIONS:

Service under this rider will only be used with the approval of, and at the sole discretion of, CES and is subject to the following:

- 1) Type, extent, and location of additional service points and/or metering points will be determined by CES.
- 2) Customer is responsible for all costs associated in accommodating service under this rider.

Service under this rider may be discontinued if, in the opinion of CES, the customer violates any of the following:

- 1) Any two payments for electric service are not delivered in full by the date due as stated on customer's monthly bill.
- 2) Any two payments for charges under this rider are not delivered in full by the date due as stated on customer's monthly bill.
- 3) Customer's load factor drops below 50%.
- 4) Electric service furnished is resold.
- 5) Character of service does not meet criteria of this rider.

City of Cartersville

City Council Meeting
3/1/2012 7:00:00 PM
Downtown Development Authority

SubCategory:	Appointments
Department Name:	Cartersville DDA
Department Summary Recommendation:	Saunders Jones III filled an unexpired term on the board of the Downtown Development Authority and is now recommended to be reappointed for a four year term to expire February 18, 2016. He has served as the Economic Development chair for DDA and assisted with the closing of a Green Communities Loan Fund from Georgia Cities Foundation for Agan's Bakery. Under his leadership the Chamber of Commerce and DDA hosted a Shoplifting and Loss Prevention Workshop for local merchants, and a proclamation for Small Business Saturday the Saturday prior to Thanksgiving in support of local small businesses. The DDA recommends the reappointment of Mr. Jones to the DDA board.
City Manager's Remarks:	Your approval of Mr. Jones reappointment to the DDA Board is recommended.

**SATISFACTION OF SUBORDINATE DEED TO
SECURE DEBT, RESTRICTIVE COVENANT,
AND SECURITY AGREEMENT**

KNOW ALL MEN BY THESE PRESENTS, that CITY OF CARTERSVILLE (hereinafter "Lender"), whose post office address is P.O. Box 1390, CARTERSVILLE, GA 30120, is the owners(s) and holder(s) of a certain Subordinate Deed to Secure Debt, Restrictive Covenant and Security Agreement given by SANDRA E. FRIX in the amount of \$10,000.00, and recorded on October 2, 2008 in Deed Book 2322, Pages 141-148 of the Office of the Clerk of Bartow County, Georgia. Said Subordinate Deed to Secure Debt, Restrictive Covenant and Security Agreement is an encumbrance upon the real property located at 109 Mayflower Circle, Cartersville, Georgia 30120 and more particularly described as follows, to wit:

All that tract or parcel of land lying and being in Land Lot 377, of the 4th District, 3rd Section, Bartow County, Georgia and being Lot 5, Section Three of Mayflower Subdivision, as shown on Plat Recorded in Plat Book 29, Page 325 of the Bartow County, Georgia records, which Plat by reference is incorporated herein.

A/K/A 109 Mayflower Circle, Cartersville, GA 30120

and Lender by this instrument, hereby acknowledges full payment and satisfaction of the Subordinate Deed to Secure Debt, Restrictive Covenant and Security Agreement and directs Bartow County, Georgia to release same of record.

ArcMail Software for Email Storage

SubCategory:	Bid Award/Purchases
Department Name:	Fibercom
Department Summary Recommendation:	The city has been using ArcMail Technology for several years to provide backup storage for all city emails. Our policy is to store all city emails for five years. The current annual maintenance is \$4,320, however, since we have been with ArcMail for five plus years, they are offering the city a free 2 Terabyte disk storage unit, which the city needs to update, at no cost if we prepay for three years of maintenance at a price of \$11,873.00. Funds are available to prepay this cost. I recommend approval of this 3 year maintenance agreement.
City Manager's Remarks:	Your approval of the arrangement outlined above is recommended.
Financial/Budget Certification:	This item will be paid for from the maintenance of software account 570-3900-52-2330.
Legal:	
Associated Information:	E-verify and SAVE documents are on file.

Water Department Trucks (4)

SubCategory:	Bid Award/Purchases
Department Name:	Finance
Department Summary Recommendation:	On February 2, 2012, the council approved the purchase of four half-ton extended cab pick-up trucks from a local vendor. While discussing the purchase order process with the vendor after the awarding of the purchase, it was noted by the vendor that the trucks that he bid on was non-conforming (were not extended cab) to the bid specification even though the bid document was marked indicating that the trucks were extended cab trucks. In order to try to keep the purchase with the vendor, the vendor agreed to keep his bid price and substitute a smaller engine and add the extended cab. After discussing the issue with Bob Jones at the water department, it was decided that Bob would discuss the changes to the truck order with the other water department employees involved and also discuss accepting the bids with a smaller engine and extended cab at the quoted price. After discussion within the water department, it was deemed that the vendor bid would not be accepted with the smaller engine and the vendor was asked to withdraw his bid for the trucks. The vendor agreed to withdraw his bid. As a result, I would like to ask the Council to reject the previous purchase awarded to Wynn GMC on 2-2-12 for the four half-ton pick-up trucks. Further, on our attorney's advice and to avoid having to start over, I called the remaining three vendors to see if they would honor their bids. The three remaining vendors agreed to honor their bids. The remaining bids are as follows: • Allan Vigil Ford \$95,980.00 • City Motors of Cartersville \$96,277.44 • Mall of Georgia Ford \$96,360.00. I recommend that we award the purchase of the four extended cab pick-up trucks to City Motors of Cartersville in the amount of \$96,277.44. They are a local dealer and the difference in their pricing and the lowest vendor pricing is \$297.44. Also because they are a local vendor, it is more cost efficient to purchase locally if warranty work is needed on the vehicles.
City Manager's Remarks:	As outlined above, we recommend that Council reject the bid award that took place on the 02.02.12 agenda and award the truck bids to City Motors. Cover Memo

Financial/Budget Certification:	This item will be paid for through the capital budget of the water and sewer department.

Chemical Injectors for Water Treatment Plant**

SubCategory:	Bid Award/Purchases
Department Name:	Water Department
Department Summary Recomendation:	Memo To: Sam Grove From: Jim Stafford Date: 2-08-12 Subject: Purchase Chemical Injectors Council Approval: The finished water chemical injectors at the water plant need to be replaced. Since these have a number of chemicals injected thru them only specific materials can be used for construction. The only place we found that makes these units in specified material is Saf-T-Flo. They submitted a price quote of \$5,762.28. I recommend that this purchase be approved from WTP budget. All SAVE and E-Verify documents are in hand.
City Manager's Remarks:	Your approval of this purchase is recommended.
Financial/Budget Certification:	This item will be paid from the plant maintenance account 505-3310-52-2361.

Replacement Chlorine Analyzer Water Treatment Plant

SubCategory:	Bid Award/Purchases
Department Name:	Water Department
Department Summary Recommendation:	Memo To: Sam Grove From: Jim Stafford Date: 2-11-12 Subject: Purchase of Replacement Chlorine Analyzer The chlorine analyzer for the water plant has become very troublesome to keep in adjustment. We need to replace it and the new unit will track pH and temperature as well. Information provided by this analyzer is placed on a monthly report that is sent to the state of Georgia as a permit requirement. Bids were received from: • PSI, Inc. \$5,580.05 • Templeton & Assoc 5,802.00 • HACH 5,637.45 I recommend approval to purchase this unit from PSI, Inc. in the amount of \$5,580.05. All Everify and SAVE paperwork is in hand. This will be paid from maintenance to the water plant from the council approved budget.
City Manager's Remarks:	Your approval of the purchase of the chlorine analyzer from PSI, Inc. is recommended.
Financial/Budget Certification:	This item will be paid from maintenance of the plant account 505-3310-52-2361.

Relay Water Line on Lindsey Dr.

SubCategory:	Bid Award/Purchases
Department Name:	Water Department
Department Summary Recommendation:	Memo To: Sam Grove From: Jim Stafford Date: 2-21-12 Subject: Relay Water Line on Lindsey Dr. Council Approved: Bids were received for materials to replace a 2" galvanized water line on Lindsey Dr. The line is full of rust and the customers have problems with red water and inadequate flow. There will be 600 ft. of 6" ductile iron pipe laid as well as 1000 ft of 2" PVC. This will provide fire protection for this street and much better quality water. The bids were as follows: • HD Supply \$17,794.49 • Kendall Municipal \$18,449.99 • Ferguson Waterworks \$19,926.81 • MSC Waterworks N/B • Consolidated Pipe N/B I recommend we purchase this material from HD Supply for \$17,794.49. All work will be done by water dept. crews. All E-Verify and SAVE are in hand. This project will be paid for from maintenance to water lines.
City Manager's Remarks:	This line replacement will be an improvement in service to the affected residents in the area. Your approval of the bid award to HD Supply is recommended.
Financial/Budget Certification:	This item is unbudgeted and will be paid for from maintenance to water lines account 505-3320-52-2380.
Legal:	N/A
Associated Information:	Everify and Save are in hand.
